## TERMS OF SALE

**All bids by mail.** We have over two thousand customers who are interested in these sales. They live in every state of the union, and in some foreign countries. They can not all come to Freeport in person each month to attend an auction. In fact, not one per cent of them could do so. In fairness to those who live at a distance, and cannot attend a sale in person, we request all bids to be sent in advance of the sale, by mail.

**Coins will be bought below your bids** where other offers permit, as this is competitive bidding, executed in good faith.

**No unlimited bids** will be accepted from anyone, at this sale. Mark your highest limit or bid on the bid sheet, and we will buy as much under this price, as other actual bids permit. **Get your bids in before the date of sale.** Don't wait until the last minute. Help us with our work and we will help you get something.

The usual charge of 5% will be made for executing your bids. No charge is made on anything not actually purchased. Postage and express is paid by the purchaser.

Receipted bills are not sent out after your remittance as this is unnecessary. **Your check, draft or money order itself is a receipt.** However, if a 3-cent stamp is enclosed we will send receipt.

**Be certain that you bid on the lot you wish to buy.** We will correct errors and adjust claims, but you should not expect us to pay for **your mistakes.** Be careful in making your bids. Be sure that you bid on the lot you wish to buy, and **at so much per piece.**

**Bids must reach me by the morning of the sale.** Mail them in time so as to avoid disappointment. At each sale some bids arrive too late to be executed.

Between the seller and buyer, my position is describing the condition of coins and bills has been neutral. My classifications are generally considered to be conservative by the collecting public.

**It is easy to bid by mail.** If you do not know how much to bid on any items, write me giving numbers in catalog and I shall be glad to inform you as to values. It is useless and a waste of time to make low bids that have no chance of success. I sincerely hope that each collector acquires some nice lots from this sale that give him a real thrill and joy of satisfaction.

New bidders or customers sending in bids for the first time must positively give first class reference, bank reference preferably, or else send a deposit of at least 25% of the total amount of bids. Otherwise, their bids will not be accepted; application of such deposit will be made upon successful bids; the seller reserves the right to demand payment upon successful bids before delivery in his sole discretion. To those known to me who have established credit, a reference or deposit is not necessary and purchases will be sent out

promptly after the sale. In appreciation of this courtesy the purchaser remits promptly.

The terms are prompt cash settlement after sale, and no time given. Collectors who are not certain that they can pay promptly, are asked not to bid. The coins in the sale are the property of my clients, and I must make prompt settlement for them.

Remit by money order, draft, check, or in any way most convenient. Stamps accepted for accounts that are below one dollar only.

All coins and other items are guaranteed genuine, unless otherwise stated.

Please bid by the piece unless stated to bid for the lot. Thus, if there are 12 pieces in a lot and you wish to pay \$6 for the lot, then bid 50c. At each sale someone bids by the lot. Don't do this—bid by the piece.

NOTE—A printed list of all the prices realized at this sale will be sent for fifty cents (50c). Send coin or stamps with your bids so as to reserve a price list, or if you prefer, we will add the cost to your bill of items purchased for you at this sale. Keep posted on coin values as they are today, and order a price list in advance of

## COIN CHATTER

**Co-operation.** First, my heart pours out the gratitude to the collectors, who almost immediately sized up the situation, which arose from the slow delivery of our last catalogues, caused by heavy Christmas mailing which began early this year. Many of our catalogues were laid by in post offices a week before Christmas, to give other mail not first class, Christmas cards, etc., the priority. In some cases, our catalogue was not delivered by the postal department for seventeen days, and in many cases it took the government two weeks. Collectors were so quick to notice this, and their response so wonderful, that we had the usual number of bid sheets, and the sale was a success. Our clerks had to work extra hours to enter the last day bids, yes, a whole extra day, but they were happy to do that. I want to thank the public for the liberal support and patronage, and especially when there are so many other sales. I hope that you have more time to study and enjoy this catalogue before submitting your bids.

**Early Bidding Helps.** With bid sheets from some 500 different collectors, dealers and museums, and with some of these collectors sending bids on hundreds of items, the task of examining and entering all these bids is no small one. Very often, there are two or more bids alike on the same item, and the first one received gets the lot, at his exact bid. You can see that the early bidder is favored in this case, so that if you mail your bids early before the sale it helps you and our clerks, too.

**We Like Him**—Collector Harry L. Kneisly of Reading Pa., added \$6.66 to the bill we rendered him, for a coin sent him, and which was not charged on his bill.

**A Few Prices Realized at Last Sale**—The 1861 Confederate half-dollar restrike sold at \$18.50; 1937 reeded edge nickel at \$10, the cent at \$9.60; 1909 S with VDB cent, unc. at \$3; 1864 Indian head cent, with L, fine \$4.25; 1904 Lewis-Clark gold dollar, unc. \$13.50; 1922 Grant gold dollar no star unc. at \$9.40; 1937 Boone D & S at \$10 each; 1922 Grant  $\frac{1}{2}$  star at \$30; 1915 Panama-Pacific  $\frac{1}{2}$  at \$9.10; Missouri star at \$16; Cook at \$8.50; 1936 proof set at \$16; 1793 chain cent, good \$12.50; 1796 dollar, v. good \$6.25.

**Get These Two**—First, buy some Defense Stamps or Bonds and help win for America. If you have 50 cents left, order a price list of this fine sale, for your own benefit and enjoyment. Note this on your bid sheet before you forget it.

**New Issues.** According to news reports, our cent and nickel will have a different metal. To save the nickel, the 5-cent piece will be half silver and half copper; and to save the tin, the cent will no longer contain any, but will be 5% zinc and 95% copper, according to Mrs. Nellie Taylor Ross.
